WESTERN PARISHES LIAISON MEETING MINUTES 22nd JANUARY 2020

BISHOP WILTON VILLAGE HALL

1. Chairman for the meeting, Cllr. Leo Hammond, welcomed everyone. Other Ward members attending were Cllrs. K. West, P. West, Sykes (Pocklington Provincial) and Rudd (Wolds Weighton).

Cllrs from Market Weighton, Fridaythorpe, Allerthorpe, High and Low Catton, Fangfoss with Bolton, Pocklington, Sutton upon Derwent, East Cottingwith, Full Sutton, Yapham, Bishop Wilton and prospective Police Crime Commissioner attended the meeting.

Apologies were received from Cllr. Mike Stathers.

2. Matters arising from the previous meeting. Cllr. Cooper pointed out that he had not received any response about his letter given to ward members at the last meeting. Apologies were given and that Cllrs. had not received responses but would chase them up.
3. Cllr. Chris Merry (High and Low Catton) asked ward members to investigate if anything could be done about High Catton Road from Stamford Bridge. He stated that it is in poor condition with potholes, dirt on the road, flooding and speeding traffic. He asked if a 40mph limit could be considered as it is too dangerous for pedestrians to walk along this road as there is no footpath for people to use. It is an issue which has been looked at before but as the situation had changed because of more traffic along this road and the potential traffic from the prison that may use this cut through, it was agreed to ask officers of the East Riding Council to look at upgrading the road, a 40mph limit and a footpath be installed.
4. Cllr Rudd was asked to report potholes in Bishop Wilton, but he had already reported these.
5. Hagg Bridge. East Cottingwith Council complained about poor communication from Officers of the East Riding regarding the closure of the bridge. The Parish Council had wanted passage across the river as it was a fourteen mile round journey for school children attending school in Sutton on Derwent. The bridge will be closed for seven months.

Other parish councils asked if a designated officer could be created for parish councils to ring for help and air their concerns. It was pointed out that this was the job of ward members, who stated that they were only too willing to do this.

Ward members would look into this issue.

6. Light pollution at Full Sutton Prison. Several Councillors complained about the influence of the lights blighting their villages. Ward members would write to the Prison Governor to see if the Prison Service would alter this lighting.
7. Prospective Police Crime Commissioner spoke at the meeting about his ambitions and how he would approach combatting rural crime. He understood what improvements were needed and making grants available to Parish Councils for crime prevention schemes.
8. A member of Fridaythorpe Parish Council asked if the Pocklington Road from the A166 could be gritted. There had been several accidents along this road because of ice, these accidents had involved school children being carried in the vehicles. Cllr. Hammond said he would contact the relevant officer at the East Riding.

9. Pocklington Councillors requested a meeting with Alan Menzies from the East Riding Council to speak about the problems of householders living on the new estate off The Balk, Pocklington. House owners were contracted into a form of leasehold which has stopped Banks' lending to these residents.
10. Pocklington Town Council requested signs at the approaches to Pocklington be moved to the new designated positions on all the roads.
11. Cllr. Chris Merry stated that the Church at Low Catton had had £70000 worth of lead stolen off its roof and wondered if there were any reports of other Churches having lead stolen and if anything could be done to catch the culprits.
12. The date of the next meeting is 15th April starting at 7pm, the venue to be arranged.
